

The **Grandfriends Fundraiser** was a tremendous success on Saturday!

With ticket sales, donations, the silent auction, and 50/50 draw we raised \$5634. This money will go a long way to help sustain the connections and friendships that have been made.

A Huge thank you to [Miss Emily](#) for spearheading this amazing fundraiser for our community and for sharing her time and talent. Your support means a great deal!

Thank you to the **Royal Canadian Legion - Branch 496** for the use of the Legion and generous donation towards the Grandfriends Project.

Thank you to **Fairmount Home** for their partnership with this project and donations.

Thank you to **Julia Finnegan, Luther Wright, Ken Hall and Zak Colbert** for sharing your time and talent, and for your support with this project.

Thank you to **Sound Works** for their help with the incredible sound equipment for the day.

Thank you to **Jack's Towing** for your sponsorship.

A special thank you to **Jana Chytilova** for photographing such beautiful candid moments that will help us to remember these connections for years to come.

Finally, thank you to everyone who donated Silent Auction items or made monetary donations toward the project, and everyone who attended the event on Saturday.

"It's the friends we meet along the way that help us appreciate the journey."

Thank you for your support!
