

Spirit Award

Elginburg & District Public School

Congratulations!

Today, we held a Spirit Award Assembly and staff showed appreciation to their classes on their contribution and effort to soar like an eagle!

We followed up with a few reminders and a slide show of pictures taken so far this school year. It was a lovely assembly and an opportunity to reflect on our strengths, experiences and growth so far this school year.

Attached is an overview of the thoughtful words shared today. The award certificates will be posted in the hallway next week after the sheep have had their turn to shine!

At Elginburg, We Soar!

SOAR!

I am going to present my class with a "Kind Words and Kind Actions" Award.

It ties into the Eagle Way of "**Speak Kind Words**" - but they have been soooooo kind to others. I see them treating each other with kindness - in actions and words.

I am very proud of them!

Ms. Wood

SOAR!

Always Lead with Your Best

Today, Mrs. Hasler & Ms. Robinson are recognizing our class for the Eagle way of "Always Lead With Your Best!"

Our students try their best in everything they do all the time.

We are so proud of them!

Mrs. Hasler & Ms. Robinson

SOAR!

See The Whole Picture!

Our class has demonstrated acceptance and understanding within our class.

They have learned to seek understanding when their classmates are having a bad day and learned to support each other when they see each other having success.

Keep up the excellent job class!

Mrs. Koss & Kennedy

SOAR!

The Kindness Counts Award

Our motto this year is,
"Kindness Matters."

Being kind, considerate,
positive and polite is always
a choice in our room, and
our class has worked hard
within these areas.

Lead With Your Best!

Congratulations,

Mrs. Burns

SOAR!

Respect Yourself & Others

Mrs. Mills loves her class! I am giving this award to my whole class because they make me happy to come to school each day. They greet me with a friendly, "Hello!" and share stories with me about their lives. My class listens to what I say and they follow all of the rules to make our classroom smooth running. They treat each other and their teachers with respect and they always ask permission to do things so that they are safe. They are happy to do any activity I plan and they work hard on everything they do. They all help each other whenever someone needs it. They help to keep the classroom and school clean. They jump on the stage at every gym class and tidy it up. They give me hugs and gently remind me whenever I forget something, which is every day! They tell jokes and stories that make me laugh. I love my class so much that I think I may just fail them all and keep them again next year!

Mrs. Mills

SOAR!

Respect Yourself & Others

I am so proud of my Grade
3/4 class for thinking of
others first.

They have demonstrated
that they are a kind and
caring group of individuals
who truly understand the
importance of respecting
others.

Mrs. Guild

SOAR!

See the Whole Picture

I'd like to award my class for "Showing Kindness to Others and our Planet."

They brought in socks for people experiencing homelessness and have persevered with a project that grew larger over time, to improve the health of the environment for everyone.

Ms. Jerreat

SOAR!

Focus Your Attention

Dear Class,
You soar when you use technology responsibly to collaborate on group projects.

Many of you are trying very hard to focus your attention, direct your energy positively towards your school work and being kind to others.

I am very proud of your efforts and progress so far!

Mrs. Kenyon

SOAR!

Focus Your Attention

I would like to recognize my class for their innovative, creative, out-of-the-box thinking.

Each day they inspire me and make me think with their creative problem solving and willingness to be brave in their learning.

I am sure that this is a group that will change the world!

Mrs. Mitchell

SOAR!

Choose Positive Thoughts

I would like to recognize this year's G-Team for their perseverance and willingness to accept challenges in their learning journey. This class is genuinely excited when they are given the chance to direct their own learning through the inquiry process and they are always eager to include technology as a resource, to show their learning and understanding in a variety of ways. They face challenges with a positive attitude and advocate for themselves and others to push every member of our class forward in every subject area. I love how you seek out new challenges and ask great questions, that you then allow me to have you work towards answering yourself. I am proud to be your teacher this year, and I have learned so much from each of you!

Coach G!

SOAR!

Always Lead with Your Best!

Dear Class,

Today I'd like to recognize you for your efforts and dedication to improving your 21st Century Skills.

You have accomplished this in many ways, including:

- Setting goals to guide your learning and development
- Learning in a variety of ways
- Learning with a number of different partners and groups
- Improving your time management skills
- Accepting new learning opportunities with an open mind
- Persevering through challenging learning and social situations
- Showing awareness and respect for our learning environment

As a result of your efforts, I am confident that you are preparing yourselves for a happy and prosperous future.

Sincerely, Mr. Bush

Support Staff

SOAR!

Respect Yourself & Others

People make a difference, and this special group of people are an inspiration to everyone in our school's community.

This special group of "superheroes" inspire, engage, influence and guide our students to be the best that they can be.

Mrs. LaRochelle

SOAR!

Eagles Are High Flyers!

This award is for Everyone! I want to take a moment to recognize all the ways in which we soar together.

Students, You are some of the kindest and most respectful students I've met in all my years and I feel very lucky to be working with you. It's easy to see the good in each of you every day and your efforts to choose positive thoughts, a growth mind-set and lead with your best! You speak kind words, and show kindness - the most recent examples are: your welcoming and complimentary manner with our guest artist, your initiatives to take care of the environment, each other and members in the community.

Staff, the caring approach and support you offer students every day, by greeting them at the door, taking time to listen to their concerns and plan for their success builds engagement and relationships and is very much appreciated. You take time to plan thoughtful experiences, to call parents, do first aid and care giving, always keeping the lines of communication open to make sure every student feels valued and connected to their school and success. Thank you for leading with your best!

Families, our community and School Council members, we appreciate you see the whole picture and your ongoing support and contribution to help us reach our goals in learning, and in creating a welcoming space where we all can come to work, learn, play and be.

Always Lead with Your best Eagles & Bravo!
Ms. Ford

Like an Eagle

- Respect Yourself & Others
